

basic data

product code	EAN code	product name	accessory code
24053A	 5907726095035	Monoflex-Ø 110 mm_drainage elastic elbow < 0-90° with gasket	

product photo **technical drawing**

product application **product properties**

- drainage of rainwater from the universal gully
- domestic and economic sewage disposal
- sewer lines connecting
- connecting ventilation ducts

- provides fast and simple connection between universal gully and drainage range Ø 110 mm
- dimension adjustment L-270-370 mm in an upright position
- monolithic construction made of flexible HDPE
- temperature resistant HDPE material (-50° ~+80°C)
- comfortable setting bending angle 0-90°
- constant internal diameter
- gray colour
